3 PACK UNIVERSAL STANDUP

6 PACK UNIVERSAL STANDUP

12 PACK UNIVERSAL STANDUP

Every season has its unique wine shipping challenges, but with DuraTherm[®] Wine Shippers by Atlas Molded Products, it doesn't matter if it's the middle of summer or dead of winter. DuraTherm Wine Shippers allow you to control your wine temperature during shipment, while securing your bottles with an innovative tightening system that minimizes movement. Improved bottom cushioning with robust chamfered edges and increased wall thicknesses provide the highest level of protection in the market.

DuraTherm Universal Wine Shippers

The Universal Wine Shippers are designed to fit most 750 ml wine bottles with a diameter up to 3-7/8". Universal Wine Shippers are available in 1, 2, 3, 4, 6, and 12-pack configurations.

The 6 and 12-pack Universal Wine Shippers utilize specially designed pockets that hold frozen gel refrigerants and provide internal airflow for additional protection to your wine during transit. The 6-pack Universal Wine Shippers contain one gel refrigerant cavity and 12-pack Universal Wine Shippers contain two gel refrigerant cavities.

DuraTherm Magnum Wine Shippers

The Magnum Wine Shippers are designed to fit most 1.5L bottles. The Magnum Wine Shippers are available in a 3-pack configuration which can be easily separated to create a 1 or 2-pack configuration.

DuraTherm Universal Wine Shipper Kits

Atlas Molded Products provides single-source Wine Shipper Kits. Each Wine Shipper Kit consists of a Universal Wine Shipper paired with a corrugated box. Select DuraTherm Wine Shipper Kits have been tested to meet ISTA Standards.

When every shipment counts, trust DuraTherm Wine Shippers.

12 & 6 Pack Universal Standup Kits

4 & 3 Pack Universal Standup Kits

2 & 1 Pack Universal Standup Kits
